

KIRTHIVASAN M R

Mobile: 9360043505 | **Email:** kirthivasanmr@gmail.com | **LinkedIn:** [Kirthivasan M R](#)

I am a 3rd-year ECE student, actively working on multiple tech projects (AI, web dev, IoT systems), skilled in Python, C, MySQL, PHP, and frontend development. Passionate about learning new technologies and contributing to impactful projects.

EDUCATION

SRM Institute of Science and Technology Jul 2023 – Apr 2027 (Expected)
Bachelor of Technology in Electronics and Communication Engineering **CGPA: 8.4**

SKILLS

Programming languages: Python, C, PHP

Databases: MySQL

Web Development: HTML, CSS, JavaScript, Flask

Libraries & Tools: OpenCV, MediaPipe, Tkinter, Pandas, NumPy

Frameworks & Platforms: Flask, Botpress, Firebase, Git

WORK EXPERIENCE

Winter Intern - National Small Industries Corporation (NSIC) Dec 2024 – Jan 2025

- Gained hands-on experience in industrial processes and small-scale manufacturing ecosystems, worked on a few projects involving IoT and Raspberry pi.

Offline Malpractice Detection System, SRM (Team Project) Feb 2025 – Apr 2025

- Developed an offline computer vision-based system to detect potential exam malpractices such as hand signs, peeking behaviour and object usage.
- Used Python, OpenCV, and MediaPipe to perform real time pose estimation and object detection.

AI-Powered Recipe Generator (Individual Project) Dec 2024 – Jan 2025

- Built a web application that generates recipes based on user-input ingredients using Flask, HTML, JavaScript, Tailwind CSS.
- Integrated external API to fetch relevant recipes and YouTube tutorials dynamically.

Digital Library Management System, SRM (Team Project) Oct 2024 – Dec 2024

- Developed a fully functional web-based digital library platform using PHP, MySQL, HTML and CSS. Implemented separate login and registration portals for students and admins with secure authentication.
- Enabled features like book uploads, search by topic, student book tracking and password management.

CERTIFICATIONS

- ‘Certified Python programmer’ by Hackerrank
- ‘Intro to Python’ by Le Wagon
- ‘Intro to Git’ by Le Wagon
